Allowable Subject Matter

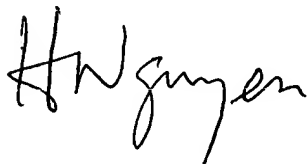

Claims 1-18 are allowed.

The following is an examiner's statement of reasons for allowance:

In claims 1 and 10, the prior art does not disclose at each base station, spreading the base output data signal with a pseudorandom noise signal to form a broadcast signal;

at each remote terminal, modulating a portion of the terminal input data signal in each terminal channel; scheduling the terminal signal for transmission by the remote terminal to be received by the base station in the same cell synchronously with terminal signals from other remote terminals in the same cell; and in combination with other claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

A handwritten signature in black ink, appearing to read "H. W. Gungor". The signature is written in a cursive, flowing style with a large initial "H" and a long, sweeping underline.
